FoamAway

Key Features
- Fast-acting liquid
- Prevents and removes unsightly foam
- Add directly to hot tub water

Bather impurities and detergents from swimming costumes can result in unsightly foaming in your hot tub. This powerful, fast-acting foam destroyer will rapidly disperse surface bubbles.

Application Instructions
1) Shake the bottle before use.
2) Apply FoamAway sparingly to your hot tub water with the pump(s) running to aid distribution.
3) Keep the filter running for a minimum of an hour after application.
