

AquaSParkle

Surface Cleaner

Key Features

- Powerful waterline and hot tub surface cleaner
- Quickly removes grease and grime
- Non-abrasive

Use AquaSParkle Surface Cleaner to remove grease and grime from around your hot tub waterline. This powerful product can also be used to clean the whole hot tub surface every time it's drained and re-filled.

Application Instructions

- 1) Shake the bottle before use.
- 2) Always test a small area of the hot tub surface to ensure compatibility.
- 3) If necessary, lower the water level a little to expose the area to be cleaned.
- 3) Gently work Surface Cleaner onto the hot tub surface using a cloth or sponge.
- 4) After cleaning the hot tub surface, rinse thoroughly with hot tub water.

Warning: Always wear rubber gloves when applying this product.
